## THINK POSITIVE, BE POSITIVE

*"What you do makes a difference, and you have to decide what kind of difference you want to make."*

*Jane Goodall*

Congratulations on another successful Spring Craft Fair! It is incredible the amount of work it takes to organize. Each one on the committee deserves a huge thank you for their time and efforts! Each one makes a difference, and we're glad they decided to spend that effort on the Craft Fair. It's wonderful to know how many students/programs will benefit from their efforts.

Each member can decide how they would like to make a difference. Our club has so many opportunities to choose from. Contact the Program Chair or Dottie Jensen, our Dean, for more information. At each General Meeting, a short list of the projects and organizations we work with is on each table.

Another way to make a difference is to visit any of our social activities – lunches, dinners, Bunco, or Women Out Walking (WOW). Getting to know the other members, finding out how working on these projects has affected them, and how you can be a part of that. Making new friends is an added benefit!

We are looking forward to the CFWC Orange District Convention this month. **Lots to learn, share, and enjoy!**

## PROGRAMS AND PROJECTS

I am so proud of the members who have attended the special events in Yorba Linda this Month. The day before the Pat Nixon Day of Service, I received a call requesting Yorba Linda Woman's Club to come and participate. I made several calls and texts, and 7 of you ladies showed up in **PURPLE**. Thank you so much. We were mentioned as the "**Ladies in Purple**" from Yorba Linda Woman's Club.

The following Thursday, I received a request that the YLWC members attend the renaming of the Yorba Linda Post Office to honor two Marines from Yorba Linda who had died in service, R.J. Cottle and Rick Centanni. The building is now known as the COTTLE CENTANNI Post Office Building: It was a very moving ceremony (See more in an article from Sue Garvey, Chairman for Civic Engagement & Outreach). I was thrilled to see 14 YLWC members who came to the ceremony, mostly dressed in **PURPLE**.

My goal this upcoming year is that YLWC will be represented at all special events for the City of Yorba Linda. We make a big impression when we have ladies dressed in **PURPLE** supporting our community. So please let me know if you want to be on my "last minute" call or text for special events.

Thanks to all of our members.

## GUEST SPEAKER

For our April General Meeting on April 20, our Chairman of Environment, Cathy Aiken, has invited **Francine Bangert from OC Waste & Recycling to be our guest speaker.**

Francine is the Public Communications Manager and Public Information Officer for OC Waste & Recycling, overseeing all external public communication and strategies. As the PIO, she provides an essential service, managing media relations, communications, community relations, and social media for three landfills, four household hazardous waste centers, and two composting facilities.

In addition, Kathi Angus, a YLWC member, will direct us in a clever, fun game relating to recycling. You will not want to miss this night.

## BLOOM WHERE YOU'RE PLANTED

What could be more lovely? A little sunshine and temperatures in the 75° range! I'm starting to crave time working in the yard, and maybe some travel. I want to be outside! What are your springtime plans? Are you hosting an Easter dinner?

Did you find a treasure (or two) at the Craft Fair? Maybe a unique and perfect gift for someone special? Did you win one of the fabulous opportunity baskets? A very sincere thank you to everyone who devoted many hours to planning, preparing, and organizing this event for the benefit of our scholarship awards and other projects – we appreciate you! And guess what? Our vendors love us!

Our current Club Year is winding down, and it has been wonderful. We have accomplished so many important things in our community – and had a lot of fun doing so! In preparation for the upcoming 2023-2024 Club Year, I will have sign-up sheets available for monthly Lead Hostess and Hostesses. Please commit as soon as possible to whatever month works best for you. Unless you are a Contributing Member or Board Member, **we all share the responsibility to act as Hostess only one time per Club Year (June – May, no meetings in July, August, or December)**. It's a very simple and an easy way to meet other members and/or plan with friends. We have enjoyed delicious food and fun decor! It's the Hospitality portion of our meeting!

Our Lead Hostess for the April 20 General Meeting will be Louise Hernandez. Assisting Louise will be Angie Cohen, Linda Fredrickson, Margit Ischovitsch, Janice Lim, Laura Metsker, and Geneva Slawson.

Thank you all so much!

## VETNET/WORKING WARDROBES

Our initial work with VetNet/Working Wardrobes has been very successful. In September, we were able to donate over \$450 in professional clothing for men and women. We declared November to be our 'Veterans' Month, and donated almost \$1,000 in professional attire to this very worthy organization. Additionally, we were privileged to have a guest speaker at our November general meeting, retired Marine, Sgt. Michael Barrett, Director of VetNet. He shared the many ways that this organization reaches out to our country's brave veterans and their families, as well as the transitioning service members from Camp Pendleton. This agency uses peer navigation (other veterans) to provide job training, career readiness, job placement, **professional wardrobes (that's us!)**, housing referrals, and behavioral health referrals.

In support of our role with this agency, our April general meeting will again feature the collection of clean professional dress for men and women – for their entrance into the world of work. **Bring suits, dresses, dress shirts and blouses, pant suits, sport coats, slacks and more. Also consider business casual, shoes, handbags, and accessories. All clothing must be on hangers and all other items must be in bags – easier for us to handle in transition to the donation center!**

As we gather these items together for our April 20th meeting, let us remember those veterans we support. Our small sacrifices and donations simply propel our veterans on to a more secure and strong future.

## WHAT IS DENIM DAY

I am encouraging all club members to wear denim to the April meeting as a show of support for survivors of sexual assault. If you haven't heard about Denim Day, please read below, and let's make a statement at our next meeting!

"Do you know what Denim Day is? Do you know how "DENIM DAY" came about? Denim Day was started to bring about Sexual Assault Awareness and Prevention education to communities.

In 1990, a young 18-year-old girl learned to drive with a 45-year-old instructor. He took her to a secluded road, where he forcibly removed her jeans and raped her. He took her home, where he threatened her; if she told anyone, he would kill her. However, she did tell her parents, and she went to the authorities with their support. The perpetrator was arrested and prosecuted. He was sentenced to jail. But the story doesn't end there. He appealed the sentence, and the Supreme Court of Italy reversed the verdict. Charges were overturned and dismissed, and the "Perpetrator, deemed innocent," was released from jail. The Chief Judge agreed and made a comment, "because the victim wore very, very tight jeans, she had to help him remove them, and by removing the jeans, it was no longer rape, but consensual sex." The ladies of the Italian Parliament were enraged over the decision and immediately protested by wearing jeans to work. The news of what the ladies in the Parliament did reached the California State Assembly, where these women followed suit and wore jeans to work.

In 1999, Patricia Giggans, the Executive Director of PEACE OVER VIOLENCE, founded and created "DENIM DAY" in Los Angeles. PEACE OVER VIOLENCE is "a sexual and domestic violence, stalking, child abuse, and youth prevention center." Ms. Giggans has worked hard to change attitudes and social preconceptions regarding sexual violence. Ms. Giggans started a "MOVEMENT" that is still going strong today to bring Awareness to Sexual Assault. **April is Sexual Assault Awareness Month.** This year DENIM DAY is April 26, 2023. Show your support... Don't forget to wear your DENIM jeans and "stand in support of survivors and educate yourself and others about sexual violence."

## SEW KIND & THREADS OF LOVE

We have had plenty of March showers, but April showers will bring the ladies in both sewing groups busy working to “shower” the various charities with their sewn items.

In March, the Sew Kind ladies were cutting out pillowcases that will be given to Vitas Hospice Organization. The pillowcases will help brighten the lives of those in hospice care.

**All members are invited to join the workshops to help with the projects.** It might include cutting out items, putting cords or ribbons to close some bags, stuffing doll heads, sorting fabric, etc., or even doing some sewing if desired. No sewing experience is needed. There are other jobs to be done.

Do you know what a “Lovie Doll” is? Come to the Threads of Love workshop to find out and help get more of them made. They are a constant need for the preemie babies.

**The next workshops are:**

**Sew Kind**

APRIL 6 - 1:00-3:00 p.m. - Clubroom

**Threads of Love**

APRIL 13 - 1:00-3:00 p.m. - Clubroom

## COTTLE CENTANNI POST OFFICE

The Yorba Linda Woman's Club was proudly represented at the dedication of the Cottle Centanni Post Office on March 17, 2023. The Post Office was renamed in honor of Sgt. Major Robert Cottle and Lance Corporal Rick Centanni. These men lost their lives in a roadside bombing in Afghanistan on March 24, 2010. They served with honor and distinction and represented the best Yorba Linda has to offer our country. The event was emceed by Colonel Wayne Scott, USAF (Retired), and attended by the Cottle and Centanni families. Many dignitaries, including Mayor Gene Hernandez, District Attorney Todd Spitzer, and US Representative Young Kim, were present. Representative Kim, the catalyst for getting this approved in Congress, stressed that this truly took an act of Congress to accomplish. It's hard to imagine any men more deserving of this honor than these two. The Woman's Club was there to support the Cottle and Centanni families and to show our appreciation for the sacrifice they made on behalf of a grateful nation.

## MOVE IT OR LOSE IT

Back in the day, I sat on the Board of Directors for the Yorba Linda-Placentia Family YMCA (now Fullerton Family YMCA). In 2004, the YMCA wanted to expand their programs to benefit all seniors, by offering a chair fitness class. Having always been interested in health & wellness, I jumped at the chance to kickstart this program, and became a certified instructor. The name/theme of the program was Move It or Lose It. Besides the chair exercises, the seniors danced in place for a few minutes, then took a stroll/walk around the facility. I have to thank Pat Porter, one of my first participants, for introducing me to the Yorba Linda Woman's Club. Pat was Club President and asked me to present my program at a General Meeting. I was very impressed with the mission of the YLWC and I joined in 2007.

This is a perfect opportunity to remind you that National Walking Day is on April 5th. In 2007, this day was established by the American Heart Association, and still seeks to raise awareness about the benefits of walking. This day encourages everyone to take at least 30 minutes to go for a walk because walking can help lower the risk of heart disease and stroke. It can also help with maintaining a healthy weight.

The average person walks up to 115,000 miles in their lifetime, enough to walk around the earth four times. According to the Mayo Clinic, a short 30-minute walk can help improve cardiovascular fitness, increase energy levels, strengthen your immune system, and help you lose body fat. According to arthritis.org, walking often can help stop the loss of bone mass for those with osteoporosis. For example, a study of post-menopausal women found that 30 minutes of walking daily reduced their risk of hip fractures by 40%. On National Walking Day, kickstart your health and go for a walk, encourage friends and family to join you, and enjoy some fresh air.

To this day, I believe that exercise and volunteering are the keys to longevity and wellness. My Senior Fitness Class grew to 35 members over five years, and quite a few joined the YLWC. Heather Laporte is our WOW (Women Out Walking) Chair and, on Tuesday and Friday mornings, club members join her (promptly at 8:30 a.m.) to walk 2.2 miles along the trail from the west side of the Community Center to Rose Drive. No appointment necessary; just show and go. Move it or lose it!
